## KEY FEATURES

What makes this product powerful

### Case & Matter Tracking

Maintain a complete digital record of every case — filing date, court, opposing counsel, next hearing, and status.

### Hearing Calendar

Never miss a hearing. Smart calendar with court-wise reminders and conflict detection across all your matters.

### Client File Management

Store, organise, and retrieve client documents, affidavits, and contracts instantly with full-text search.

### Legal Citation Research

Search Indian case law, statutes, and judgements. Save and tag relevant citations directly to your case files.

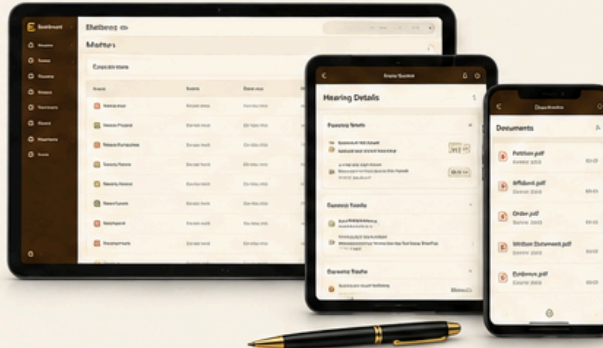

### Billing & Time Tracking

Log billable hours per case, generate professional invoices, and track payment status with clients.

### Bank-Grade Privacy

End-to-end encrypted storage. Only you and your explicitly authorised colleagues can access your case data.
