EVERYTHING YOU NEED. NOTHING YOU DON'T.

- Student Registration
- Attendance Module
- Fee Collection
- Receipt Generation
- Timetable Management
- Exam & Results
- Notice Board
- SMS Alerts

POWERFUL FEATURES

- QR Attendance**
Students scan a QR code to mark attendance. No hardware required — just any smartphone.
- Simple Fee Collection**
Collect and record fees with instant digital receipts. Supports cash, UPI, and bank transfer.
- Timetable Builder**
Drag-and-drop timetable creation that auto-detects faculty and classroom conflicts.
- Result Publishing**
Enter marks and publish results to students via portal and SMS instantly.
- Digital Notice Board**
Push announcements, holiday notices, and exam schedules to students and parents.
- Report Card Generation**
Instant generation of high-fidelity report cards with deep-dive performance analytics.
- Onboarding Support**
Dedicated onboarding specialist helps your staff get up and running in under a week.
