CONNECTED SCHOOL ECOSYSTEM

SMART FEATURES

- Real-Time Parent Alerts**
Instant WhatsApp and SMS notifications for attendance, fees due, exam dates, and events.
- Daily Attendance**
Class-wise attendance marking with parent notification the moment a child is marked absent.
- Fee Management**
Monthly, quarterly, and annual fee collection with automated reminders and digital receipts.
- Grade & Report Cards**
Auto-generate beautiful report cards in school-specific formats at the end of each term.
- Transport Tracking**
Live GPS tracking of school buses with estimated arrival time pushed to parent phones.
- Homework Manager**
Teachers assign homework digitally. Parents see it in the app, students submit and get feedback.
- School Notice Board**
Share important announcements, holiday lists, circulars and exam schedules instantly.
- SMS & WhatsApp Alerts**
Keep parents informed through automated SMS and WhatsApp notifications.

PERFECT FOR

- CBSE, ICSE, and State Board Schools (Class 1-12)
- Schools looking to improve parent-teacher communication
- School management wanting to eliminate paper registers
- Principals needing quick daily attendance and fee reports
- Schools in Tier 2 and Tier 3 cities needing affordable ERP
